Brought to you by ATP
- the Assitive Technology Partnership

PLEASE NOTE:

There are a number of state agencies, private businesses, and lending programs along with individuals that are listing items for sale, giveaway, demonstration, or loan. Please keep in mind that each agency, business, or program will have their own criteria for selling or lending their equipment. If you have any questions, please contact the specified person for that item.

ATP does not in any way endorse the companies, individuals, products or vendors listed on our site.

The contents of this brochure were developed under a grant from the Department of Education. However, those contents do not necessarily represent the policy of the Department of Education, and you should not assume endorsement by the Federal government.

ATP is dedicated to insuring that our site is barrier-free and that all users alike have an easy means to access our information. This site is WCAG 1.0 and Section 508 compliant.

AT ALL

www.at4all.com

*A Free Online Service to
List & Find Equipment in
Nebraska*

Equipment is available for *loan*, for *sale*,
for *demonstration*, or for *giveaway*.

Easily Search for Equipment

There are a wide variety of categories to browse through including: ambulatory devices, children's equipment, environmental controls, lifts, ramps, vehicles and vehicle lifts, and wheelchairs.

Advance Search

Search criteria also exists that allow you to search for an item listed by a specific program or type of transaction (demonstration, free, loan, for sale, or item wanted).

Request a New Account

By setting up an account you gain access to:

- view contact information for items in which you are interested
- list your own assistive technology items for sale or giveaway, or list items you want

For individuals that do not have access to the Internet or need further assistance, please call.

Assistive Technology For All plays an important role in helping individuals maintain independence at their home, school or workplace by providing the easiest and most efficient means for distributing used equipment to individuals throughout Nebraska.

Individuals experiencing disabilities, their family members, service providers and school personnel are encouraged to keep updated on the availability of technologies at www.at4all.com.
